Terms & Conditions

Scope of Services

The services offered under this quotation include research writing assistance, such as thesis writing, dissertation writing, research proposal drafting, academic paper writing, and editing services, as detailed in the quotation document. The scholar can use the deliverables as a reference for their actual research work as per their requirements. Any additional services requested by the client will require a revised quotation.

Validity of Quotation

This quotation is valid for a period of 3 days from the date of issue unless otherwise specified. After this period, the terms and pricing may be subject to change.

Acceptance of Quotation

The client's confirmation of this quotation via email, signature, or payment of the initial amount will be considered as acceptance of the terms and conditions outlined herein. Upon acceptance, an acknowledgment email will be sent to the client.

Payment Terms

Payment must be made as per the agreed milestones outlined in the quotation. Work will commence only upon receipt of the first payment (advance) as per the payment terms. Delayed payments may result in project delays, and the company reserves the right to halt services until payments are received.

Confidentiality

Research Connect Team will maintain strict confidentiality regarding the client's personal and research-related information. The client agrees not to disclose, share, or distribute deliverables or intellectual property created under this agreement without prior consent. A confidential letter is mentioned at the end of the document for the client's reference.

Confidential Letter

Dear **Rohit Sharma**,
We are writing to affirm our unwavering commitment to maintaining the highest standards of confidentiality and integrity concerning the research project. Our collaboration is built on trust and mutual respect, and we fully recognise the importance of protecting the sensitive information and data you have entrusted to us.
Confidentiality Agreement Research Content and Data: All information, including data, research findings, and related intellectual property, shared during this project will be used exclusively for the purposes agreed upon and will not be disclosed to any third party without prior written consent from Client.
We assure you that maintaining the confidentiality and integrity of the research is paramount. This letter serves as our commitment to you, ensuring that the research we conduct on your behalf is handled with the utmost care and professionalism.

Thank you for choosing Research Connect as your trusted research partner.
