# Terms & Conditions

**Scope of Services**

The services offered under this quotation include research writing assistance, such as thesis writing, dissertation writing, research proposal drafting, academic paper writing, and editing services, as detailed in the quotation document. The scholar can use the deliverables as a reference for their actual research work as per their requirements. Any additional services requested by the client will require a revised quotation.

**Validity of Quotation**

This quotation is valid for a period of 3 days from the date of issue unless otherwise specified. After this period, the terms and pricing may be subject to change.

**Acceptance of Quotation**

The client's confirmation of this quotation via email, signature, or payment of the initial amount will be considered as acceptance of the terms and conditions outlined herein. Upon acceptance, an acknowledgment email will be sent to the client.

**Payment Terms**

Payment must be made as per the agreed milestones outlined in the quotation. Work will commence only upon receipt of the first payment (advance) as per the payment terms. Delayed payments may result in project delays, and the company reserves the right to halt services until payments are received.

**Client Responsibilities**

The client is responsible for providing accurate project requirements, objectives, and any other relevant details necessary for successful project completion. The client has to supervise the project delivered as early as possible and shall provide any suggested changes within 3-4 days to avoid quality issues and delays in deliveries. It is at the company's discretion whether to consider the suggested revisions or not.

**Revisions and Modifications**

Revisions to deliverables are included as per the project scope detailed in the quotation. Any requests for modifications beyond the agreed scope will be charged additionally and will require a new timeline for completion.

**Confidentiality**

ResearchCraft Team will maintain strict confidentiality regarding the client's personal and research-related information. The client agrees not to disclose, share, or distribute deliverables or intellectual property created under this agreement without prior consent. A confidential letter is mentioned at the end of the document for the client's reference.

**Intellectual Property**

All content created is intended solely for the client's personal use as agreed upon. The company will not be liable for any misuse of the material provided. In case of a full refund, all intellectual rights for the deliverables will remain with the company. The deliverables will only be used as guidance material, and the client is responsible for adhering to ethical academic practices.

**Cancellation and Refund Policy**

**Cancellation and Refund Policy**

Cancellation of services after acceptance of the quotation may incur charges for the work already completed. Refunds will not be provided for services already delivered or for work in progress unless deemed appropriate by the company on a case-by-case basis.

**Limitation of Liability**

The company is not liable for any penalties, rejection, or delays resulting from the client's use of the deliverables provided. The client acknowledges that the deliverables are for reference and guidance purposes and that their use in academic or professional settings must comply with institutional guidelines.

**Governing Law and Jurisdiction**

These terms and conditions shall be governed by the laws of India. Any disputes arising will be subject to the exclusive jurisdiction of the courts.

---

## Confidential Letter

Dear **Shaurya Tripathi Client**,
We are writing to affirm our unwavering commitment to maintaining the highest standards of confidentiality and integrity concerning the research project. Our collaboration is built on trust and mutual respect, and we fully recognise the importance of protecting the sensitive information and data you have entrusted to us.
**Confidentiality Agreement Research Content and Data:** All information, including data, research findings, and related intellectual property, shared during this project will be used exclusively for the purposes agreed upon and will not be disclosed to any third party without prior written consent from Client.
**Access and Usage:** Access to confidential information will be strictly limited to individuals directly involved in the project. All team members have signed confidentiality agreements and are fully briefed on their obligations and the importance of safeguarding client data.
**Security Measures:** We employ robust security measures to prevent unauthorised access, disclosure, alteration, or destruction of the material related to the research project. These measures include, but are not limited to, secure storage, controlled access, and regular audits.
We assure you that maintaining the confidentiality and integrity of the research is paramount. This letter serves as our commitment to you, ensuring that the research we conduct on your behalf is handled with the utmost care and professionalism.
Should you have any concerns or require further assurances, please do not hesitate to contact us. We look forward to a fruitful collaboration and to achieving outstanding results together.
