A Decade of Guiding Scholarly Ambition

ResearchCraft is India's premier academic writing and research consulting firm, operating for over a decade at the intersection of rigorous scholarship and practical publication strategy. We support PhD candidates, independent researchers, and academic institutions across all major disciplines — from humanities to engineering, from management to life sciences.

Our model is built on a simple conviction: **every scholar deserves access to expert guidance**. Whether you are navigating your first research proposal or targeting a high-impact SCOPUS journal, our team of 150+ domain-specialist PhD experts provides structured, personalised, and ethically grounded support at every stage of the journey.

Academic Integrity First Every project adheres to global academic ethics. We support — never replace — the scholar's own intellectual journey.	Strict Confidentiality NDA-backed privacy protocols ensure your research identity and materials are always protected.
Global Publication Network Partnerships with SCOPUS, Web of Science, and UGC CARE-indexed journals maximise your acceptance probability.	Deadline-Driven Quality Rigorous quality checks and multiple revision rounds — always delivered on time without compromise on excellence.

06 — CLIENT TESTIMONIALS

Scholars Who Trusted the Process

“

ResearchCraft transformed my stuck thesis into a submission-ready document. Their PhD expert understood my domain deeply and the quality of writing was exceptional.

Dr. Ramesh Iyer

PhD Scholar · Engineering
Chennai, India

“

I had been rejected twice from SCOPUS journals before ResearchCraft helped me restructure my paper. My paper is now published and being cited — I am genuinely grateful.

Dr. Fatima Al-Rashidi

Independent Researcher
Dubai, UAE

“

The systematic review delivered for my healthcare policy project was thorough, well-structured, and PRISMA-compliant. My PhD proposal was accepted on the first submission.

Sarah Collins

Medical Professional · NHS
Birmingham, UK

“

As a non-native English speaker pursuing a PhD in Canada, I was struggling with academic writing. ResearchCraft's editing was sensitive to my voice while dramatically improving clarity.

Priya Mehta

PhD Candidate · Management
Toronto, Canada

“

Their data analysis support using SPSS saved my research timeline. The team was responsive, technically sharp, and delivered interpretation write-ups that were very clear.

Prof. Arun Krishnan

Faculty Researcher
Pune, India

“

I needed a synopsis in 10 days for university submission. ResearchCraft delivered in 7 days without cutting corners. The quality in the research design section impressed my supervisor.
